Lets Go (D Major)

[Intro - Drums - 4]

Synth [Main Riff 1] - no vocals

[Verse 1]
She's driving away
With the dim lights on
And she's making a play
She can't go wrong
She never waits too long

[Verse 2]
She's winding them down
<u>Synth Strings</u> **- with verse**
On her clock machine
And she won't give up
'Cause she's seventeen
She's a frozen fire
She's my one desire

[Pre-Chorus]
And I don't want to hold her down
Don't want to break her crown
When she says

[Chorus]
Let's go !
Synth [Main Riff 1] - during chorus

I like the nightlife baby
 She says
I like the nightlife baby
 She says

Let's go !

Synth [Riff 2] - alone

[Verse 3]
She's laughing inside
'Cause they can't refuse
She's so beautiful now
She doesn't wear her shoes
She never likes to choose

[Verse 4]
She's got wonderful eyes
<u>Synth Strings</u> **- with verse]**
And a risque mouth
And when I asked her before
She said she's holding out
She's a frozen fire
She's my one desire

[Pre-Chorus]
And I don't want to hold her down
Don't want to break her crown
When she says

[Chorus]
Let's go
Synth [Main Riff 1] - during chorus
I like the nightlife baby
 She says
I like the nightlife baby
 She says

Let's go !

Synth [Riff 2] - alone

[Chorus]
Let's go !
<u>Synth Strings</u> **- during chorus**
I like the nightlife baby
She says
I like the nightlife baby
She says

Let's go !

Synth [Riff 3] - to finish
