

# Once Bitten Twice Shy

[Intro] Guitar [4] Guitar/Drums [8]

[Verse 1]

Well the times are getting hard for you, little girl  
I'm a humming and a strumming all over god's world  
You can't remember when you got your last meal  
And you don't know just how a woman feels  
You didn't know what rock and roll was  
Until you met my drummer on a grey tour bus  
I got there in the nick of time  
Before he got his hands across your state line, yeah
